

NEPCO Lake CENTENNIAL BASH

100 Years of Splash-tacular Memories!

June 11, 2025

On August 16, 2025 from 12-5p, Central Wisconsin Cultural Center (CWCC) and the NEPCO Lake District will host a Centennial Bash honoring 100 years of connection to NEPCO Lake and our shared cultural and environmental heritage. This special event celebrates the past while raising vital funds for the future of these two community-centered organizations.

Central Wisconsin Cultural Center fosters creativity and community through arts programs, exhibits, and inclusive events. The NEPCO Lake District leads efforts to protect and enhance NEPCO Lake through water quality improvements, habitat restoration, and conservation initiatives.

Hundreds of residents and visitors will gather for a day of live music from Southbound, local art, outdoor activities, raffle baskets, silent auction, environmental education, and community pride. It's a chance for families to connect, celebrate, and make lasting memories.

By supporting the NEPCO Lake Centennial Bash, you'll help sustain these important community resources – and we'll proudly recognize YOU as a sponsor. **Join us in making this once-in-a-century celebration unforgettable!**
